On Friday, April 15, Galleria Ca' d'Oro and artist, Francesco Lopez, hosted an intimate, Italian, cocktail reception to celebrate the unveiling of Lopez's most recent work "Visioni di Roma."

The opening night reception featured various contemporary photographs, by Lopez, each of which were created using familiar imagery, realism and nature – all inspired by Lopez's deep admiration of Rome.

Galleria Ca' d'Oro's main objective is to highlight and showcase Italian & European art to the US.

Joining Francesco Lopez and curators, Gloria Porcella and Lamberto Petrecca, were guests Christina Termine, Christophe & Eva Poileux, David Hoffmann, Marco Rocca, Mr. Olivieri, Tracy Mourning and Yolanda Berkowitz. Guests enjoyed delectable hors d'oeuvres and drinks while mingling with the artist and enjoying his beautiful photography.
