Galleria Ca' d'Oro Miami hosts a cocktail reception to celebrate the opening of the latest exhibit of photographer and artist Francesco Lopez's most recent work "Visioni di Roma." The gallery will feature various contemporary photographs, each created using familiar imagery, realism and nature – all inspired by Lopez's love of Rome.

Galleria Ca' d'Oro's focus is to highlight and showcase Italian and European art in the US. The show was curated by Gloria Porcella and her business partner, Lamberto Petrecca and consists of 22 pieces that the artist captured around Rome using his beloved Leica camera.

Friday, April 15 starting at 7 p.m. Galleria Ca' d'Oro, 135 S. San Lorenzo Avenue, Suite 130, Coral Gables; 305-205-5981. Following the Opening Night Cocktail reception, Francesco Lopez's art works will be on display from April 15, 2011 until June 15.
