## Foreverglades: Cracking Art Group's Art Basel Exhibit On and In Miami Freedom ...

*December 1, 2012*

The **Gator in the Bay** won't be the only cold-blooded attraction turning heads this Art Basel season. Galleria Ca` d'Oro and Cracking Art Group, the collective behind the pepto pink snails on Miami Beach in 2010, have adorned Miami's Freedom Tower with primary-colored resin creatures.

Installed Friday and running through December 9, the historic building will be covered with
