## Francesco Lopez's Opening Night Cocktail Reception

Friday, April 15, 7pm – Galleria Ca' d'Oro, 135 S. San Lorenzo Avenue, Suite 130, Coral Gables

On Friday, April 15, 2011, Francesco Lopez will host a cocktail reception at Galleria Ca' d'Oro Miami with the US showing of his most recent work "Visioni di Roma." The gallery will feature various contemporary photographs, each of which were created using familiar imagery, realism and nature – all inspired by Lopez's love of Rome.

Galleria Ca' d'Oro was the perfect location to showcase this collection, "Visioni di Roma", as the gallery's main objective is to highlight and showcase Italian & European art to the US. Gloria

Porcella and her business partner, Lamberto Petrecca, both will curate Lopez's show. "The title of Francesco's art show, 'Visions of Rome' compounds two loves. Love for a city, Rome, which no longer is a 'physical' place but becomes, in his work, an archetype of constant regeneration, and, precisely because of it, remains equal to itself across the time, becoming a category of the Spirit. Therefore not "a" city but "the" City." – Lamberto Petrecca on Lopez's "Visioni di Roma."

Exhibition Will Be On Display From April 15th Until June 15th.
