francesco lopez at galleria ca' d'oro

Coral Gables, FL – April 15, 2011 – Galleria Ca' d'Oro and artist, Francesco Lopez, hosted the opening night cocktail reception for "Visioni di Roma." Galleria Ca' d'Oro was the perfect location to showcase this collection, "Visioni di Roma", as the gallery's main objective is to highlight and showcase Italian & European art to the US. "The title of Francesco's art show, 'Visions of Rome' compounds two loves. Love for a city, Rome, which no longer is a 'physical' place but becomes, in his work, an archetype of constant regeneration, and, precisely because of it, remains equal to itself across the time, becoming a category of the Spirit. Therefore not "a" city but "the" City." – Lamberto Petrecca on Lopez's "Visioni di Roma."
