On Thursday April 5th, the Village of Merrick Park and Galleria Ca` d'Oro will unveil "Time without Time" a solo exhibition of the sculpture of Italian artist Enzo Carnebianca.

This exhibition inaugurates a partnership between Merrick Park and Ca` d'Oro for an on-going presentation of public artwork to be enjoyed in the beautiful center garden area.

Coral Gables Mayor Jim Cason and Italian Consul General Adolfo Barattolo will be present bringing into focus the vibrant "south side" of Coral Gables. Kerem Kayser, General Manager of Merrick Park, and Gloria Porcella, owner of Galleria Ca` d'Oro, will welcome the artist, Enzo Carnebianca, who is here from Rome for the occasion.

Galleria Ca` d'Oro is an art gallery based in Rome whose Miami Branch is just across Ponce from Merrick Park. Galleria Ca` d'Oro opened in December 2010 in Miami with the unforgettable Pink Snails. The proximity of the Italian Consulate in the Collection Building on Ponce, and Merrick Park form an alternative area in Coral Gables rich with possibilities for visitors and residents alike.
